

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

WASHINGTON, D.C.

WASHINGTON, D
GIBSON BROS., PRINTERS AND
1894.

gift, bargain, sale, demise, or of any person corporate, capable to make the same, and to alien, sell, transfer, or lease and apply, to adjudge most conducive to the promotion and surgical knowledge, and for no other *nevertheless*, That the said Society or body, at any time, hold or possess property, real, personal, the total value the sum of six thousand dollars.

SEC. 2. *And be it further enacted*, That the above designated shall hold, in the City of Washington, meetings in every year, viz: on the first Monday of January, the officers of the Society to consist of a President, one Corresponding Secretary, one Recording Secretary, one Librarian, who shall be appointed on the first day of January, one thousand eight hundred and thirty-eight, and who shall hold office for one year, and until others are chosen in the next meeting of the members being present at such meeting); and they may have a common seal, and may elect into their body such persons, practitioners, within the District of Columbia, who may desire to become members of the Society, it being the duty of the Society now elected are to remain in office until after the passage of this act.

SEC. 3. *And be it further enacted*, That it shall be the duty of the said Medical Society, or any number of its members (not less than seven,) to elect by ballot five persons, residents of the District of Columbia, whose duty it shall be to grant diplomas to such persons, and to such surgeons, and to such other gentlemen as they may, upon application, be qualified to practice the medical and surgical profession, and to grant a diploma from some respectable medical school, or to obtain a certificate to pay a sum, not less than five dollars, so obtaining a certificate to pay a sum, not less than five dollars, fixed on or ascertained by the Society.

SEC. 4. *And be it further enacted*, That the said Society shall constitute a board for examining such persons, and shall subscribe their names to each certificate, and each such certificate shall also be countersigned by the President of the Society, and have the seal of the Society affixed thereto, upon paying into the hands of the Treasurer of the Society, a sum ascertained as above by the Society; and

member of the Medical Society, shall pay a sum to be ascertained by the Society.

enacted, That the Medical Society be, and they from time to time, to make such by-laws, rules, and regulations, as may be found requisite; which by-laws, rules, and regulations, in their application and operation, be exclusively confined to the said Society, or body corporate, and not to its members when not acting in a corporate character; to have a common seal; to fix the times and places for the examinations; filling up vacancies in the medical profession, and such other things as may be requisite for the promotion of the said Society, and which may not be repugnant to the laws of the United States: *Provided always*, That it shall be lawful for any person, resident as aforesaid, and not otherwise specially sent for, to come into any part of the District, to administer or prescribe medicine, or perform any surgical operation, or to whose assistance he may be sent for: nothing in this act contained shall be so construed as to prevent any person, living within or without said District, from administering or performing any surgical operation, or from attending upon or the attendants of the person to whom such surgical operation is performed, or upon whom such surgical operation is performed; nor to prevent the giving advice or reward to any person, sick or afflicted, upon charity and kindness; nor to prevent any reward for the same, if voluntarily tendered to any person, for midwifery by females; and any person so performing any surgical operation, not authorized by law, or surgery agreeably to the provisions of this act, shall be liable to collect any fee or reward for the same: *be it further provided*, That no person shall be admitted to practice physic and surgery until he shall produce satisfactory evidence of having attended a course of lectures, and of having performed a course of lectures.

enacted, That Congress may at any time alter, amend, or repeal the incorporation of said Society at pleasure.

JAMES K. POLK,

Speaker of the House of Representatives.

RD. M. JOHNSON,

United States and President of the Senate.

M. VAN BUREN.

ARTICLE]
